HOTEL BELLECLAIRE
NEW YORK
Broadway at 77th St.
Surface Cars at Door
Subway at 79th St.
Only a few minutes from the Shopping and Theatrical District.

The Hotel Belleclaire is a very homelike place for wedding parties.

The Palm Room is like a big living room in a spacious country home and it lends itself splendidly to homelike decorations for the wedding ceremony.

There is as much privacy as in any private home.

But the big advantage in transferring your home to the Belleclaire home for the wedding ceremony is that the Belleclaire management relieves you of all details; decorations, music, reception room, wedding breakfast or supper or dance—all can be left to us.

We will even secure the minister, if you desire.

Many couples have started happily by getting married at the Belleclaire, and their families and friends have had a good time because everything was arranged so comfortably for everybody.

The cost is not greater than a wedding in your own home.

Robert D. Blackman, Prop.
